**TEMPLE SQUARE — SALT LAKE CITY, UTAH**

Here are the most famous buildings of the Mormon Church. This picture shows the famous Tabernacle on left with the largest domed roof of its kind in the world. The Mormon Temple is on the right.

I am enjoying myself very much here. The new addition is a little doll.
The last few days have been hot.
We witnessed plenty of snow in the mountains when we drove up thru them two different times. We look upon the snow covered peaks of the Wasatch from our back yard.
Will be home for class reunion.
